

David Clauson, CHMM®, CSP®
Director
Enterprise Risk Solutions
Chicago | 312.288.4653 | dclauson@bkd.com

Dave is a member of BKD National Enterprise Risk Solutions Practice, with more than 25 years of experience as an environmental, safety, and sustainability program manager. His areas of expertise include leading environmental, social, and governance (ESG) program development and energy efficiency initiatives, helping minimize company environmental and safety risks, and leveraging information technology to improve ESG performance.

Prior to coming to BKD, he managed environmental, safety, and sustainability programs for companies in the mining, manufacturing, and energy sectors, where he was instrumental in reducing operational environmental impacts through energy efficiency projects and creating effective processes for continual ESG improvement.

Dave is a licensed Certified Hazardous Materials Manager (CHMM®) and Certified Safety Professional® (CSP®).

He is a graduate of University of Illinois at Urbana-Champaign, with a B.S. degree in environmental engineering, and a graduate of Roosevelt University, Chicago, Illinois, with an M.B.A. degree with an emphasis in organizational theory.
